TOWSON NURSERIES, INC.

TOWSON, MARYLAND

Shipping

Please give explicit directions as to address and mode of shipment. Shipments will be forwarded exactly as directed, but when we have no instructions they will be forwarded by the shortest and safest route. We recommend that all herbaceous plants be shipped by express. Arrangements can be made for distance deliveries by motor trucks of full truck loads if desired.

Prices

Prices in this list supersede all previous lists and are subject to change without notice. The prices listed are for local delivery. STOCK SPECIALLY SELECTED by customers at the Nurseries will be charged for according to the value of the trees chosen irrespective of list price. The prices in this list are for stock of our selection.

Terms: Cash with order, except to persons who render regular credit references. These accounts will be due in 30 days.

Inspection

Our stock is regularly inspected and a certificate sent with each shipment.

Guarantee and Claim

All goods are guaranteed true to name, dug properly, and in good condition when shipped. Any plant which is untrue to name will be promptly replaced. As we have no control over its usage after it leaves our hands, properly packed and in good condition, we cannot guarantee the life of stock. Claims must be made within five days after receipt of stock. Stock delivered as per order and in good condition is not returnable.

Next in importance to the production of good trees and plants is proper planting. To this end we have developed an organization that is competent to furnish planting suggestions for any type of home and to handle any planting, large or small—or will cooperate with any landscape architect you may choose.

Evergreen Trees

ABIES balsamea (Balsam Fir).
